Skills Bootcamp in Project Management

Our project management bootcamp is delivered over 13 weeks through a flexible combination of live practical, theory and online delivery sessions totalling no more than 5 hours a week. We do however recommend you spend some additional study time to truly enhance your project management skills. Our Project Management Skills Bootcamp courses are aligned to the globally recognised PRINCE2 Industry recognised qualifications.

If you're looking to upskill then our project Management Skills Bootcamps allows you to enhance your job prospects, develop your skills, strengthen your C.V and gain a valuable learning experience, opening the door to promising career prospects, and lifelong skills development.

You'll master
essential techniques

such as planning, budgeting,

risk management, and leadership, alongside cutting-edge sustainable project management practices as we're a partner of Green Project Management® (GPM®). Unlike traditional exams, we assess your progress through on-programme evaluations, ensuring practical, real-world learning.

But it's not just about training; it's about progression.

We offer:

GUARANTEED JOB INTERVIEWS

with positions ringfenced specifically for participants to transition into roles like Project Coordinator, Assistant Project Manager, or Junior Project Manager.

SUPPORT FOR EMPLOYED LEARNERS

to progress into higher roles within their current organisation, with employer co-funding.

PROGRESSION PATHWAYS

into further qualifications or apprenticeships.

SIX MONTHS OF POST-COMPLETION SUPPORT

including in-work guidance to ensure long-term success.
